

21-24 JAN 2009.

Thanks all for the great food you served. us. The buffet dinner is ~~very~~ excellent and can add credit to our diving trip. The DMS ~~is~~ are also with experience and shown us a lot of things underwater. We saw the sperm whales and we are all the first time!!

Thank you again! Lumbahumbateam!

Thanks again for a great time here at Lumbalumba. This my third visit in 12 months which in itself is recognition of the high esteem in which I hold this wonderful piece of paradise, & the high regard I have for the Lumbalumba team.
